 - 2.1 That at least 20% post of senior duty posts i.e. Collector/DM/DC in District, Head of Departments, Secretary to the Government and Principal Secretary to the Government as provided in IAS cadre of the respective State should be included in the SCS cadre of the respective state to arrest the acute stagnation in the SCS, inordinate delay in promotion from SCS to IAS.
 - 2.2 Allowing uniform pay scales to the SCS officers across the country as provided for in Model SCS (Pay) Rules, 2023 framed by the AIF through due issue of notification by the State Governments.
 - 2.3 Notification of SCS Rules and Regulations by the State Governments based on the Model SCS Rules and Regulations, 2023 framed by the AIF across the country in a state-specific manner to bring about uniformly and structural reform in administration.
 - 2.4 Recruitment of SCS officers at Class-I level across the country, the SCS being the premier service in the States.

- 2.5 Rationalization of SCS cadre strength vis-a-vis IAS cadre strength of different States in the ratio of 1.5:1 meaning thereby, the strength of SCS cadre in a state should not be more than 1.5 times of IAS cadre of that state, as a measure to ensure promotion of SCS officers to IAS at a faster pace.
- 2.6 Complete ban on posting of officers of other services against the cadre posts of SCS officers.
- 2.7 Ensuring regular pay scale to the SCS officers on probation specially to SCS officers of Rajasthan, Chhattisgarh and Punjab, as the probationers in these States have been arbitrarily deprived of the regular pay scales and allowances to which they are legally entitled.
